- Do not ride side by side. Always ride in a single file line.
- Be careful on steep downhill slopes from bridges to regular roads. Avoid excessive speed.
- When riding on sidewalks where bicycles are allowed, ride slowly near the road side and do not obstruct pedestrians.
- Night riding is prohibited. Using a smartphone while riding, holding an umbrella, or riding without lights at night is subject to fines.
- For safety, wear a helmet. Helmets are provided free of charge to all rental cyclists.
- Recommended routes are marked with course guide plates, signboards, and blue lines on each island.
